Branlyn Community Centre  
Brantford, Ontario

### About the BSC

The Brantford Sports Council was established in March of 2005, after an initiative by the Sport Alliance to have community sports councils as representative bodies throughout the province. The purpose of the organization is to improve the delivery of sports in our community.

The Brantford Sports Council has taken on several initiatives during their brief existence, not the least of which is tonight's banquet. The Council has worked diligently on a funding formula that would allow for fair distribution of municipal grant monies to the minor sports that use city facilities. The BSC has held several workshops and clinics to help minor sports organizations with their by-laws and constitutions to make sure that the athletes, coaches, and volunteers are protected by their governing body.
